

PRO-FILL

Art. 8957 / 9 / 0523

Spray filling machine «One Stroke»

VFL
Vismara Farbladen

Properties

The quick and easy way for home filling of aerosol cans. With the automatic and efficient PRO-FILL spray filling machine «One Stroke» with patented filling head, up to 4 cans per minute can be filled. The connection is made via compressed air (compressor), which means that no power connection or explosion protection is required. The chrome steel paint container is easy to clean and with a filling volume of 3,8 litres it is also suitable for filling smaller series economically.

Field of application

- ◆ Efficient filling with only one stroke «One Stroke»
- ◆ Fills the can in less than 10 seconds
- ◆ Comfortable 3,8 litre chrome steel paint reservoir
- ◆ Suitable for the economical production of larger series
- ◆ The PRO-FILL filling head is compatible with virtually all refill cans on the market
- ◆ Compact and space-saving
